

Wasatch Peak Academy
SIXTH GRADE NEWS

{ Tuesday, March 2nd – Friday, March 6th }

Literacy **MRS. FISO**

This week the students will work on drafting, editing, and revising their Cause and Effect Essays. We will also be reading the final act of Macbeth.

Math

This week we are starting Unit 6 with lessons *Ratios* and *Unit Rates*.

Homeroom

Social Studies: Ancient Rome test on Wednesday and compiling our binder evaluation for Ancient Israel, Greece, & Rome.

Science: (Lott's homeroom)

Finishing up *Greenhouse Effect* and working on Final Unit Project.

MS. NEWMAN

Literacy

Number the stars is our new Novel! Spelling U5W2 Vocab and noredink.com at home for practice on grammar.

Math

Finish area and chapter review Wednesday, Ch 9 test Thursday.

Homeroom

Social Studies: Connections of Christianity and Islam on the development of Europe during the middle ages.

Science: (Montalvo's homeroom) Informative Essay on Astronomy. 3 sections of chapter should be the 3 main ideas.

MR. LOTT

Literacy

This week, students will focus on writing a strong introduction to an expository essay, discover new vocabulary, and discuss mythology.

Math

This week, students will learn how to simplify an algebraic expression and review for our chapter 6 test (test is on Thursday).

Homeroom

Social Studies: This week, students will share their projects on ancient Israel.

Science: (Newman's homeroom)

This week, students will continue to investigate how heat affects matter.
